

# **UI Elements**

## **(General Edition)**

Startup

The 'Create Account' screen of the inMarket app. The title 'Create Account' is at the top in bold white text, followed by the subtitle 'Create your profile and join upcoming draws.' in a smaller font. Below this are four input fields with labels: 'Personal Name (required)', 'Email (required)', 'Phone Number (optional)', and 'Password (required)'. Each field has a white underline. Below the password field is a dropdown menu labeled 'Entrant' with a small downward arrow. At the bottom, there are two buttons: a solid blue 'Create account' button and a white 'Back' button with a blue border. A white horizontal line is visible at the very bottom, representing the home indicator on an iPhone.

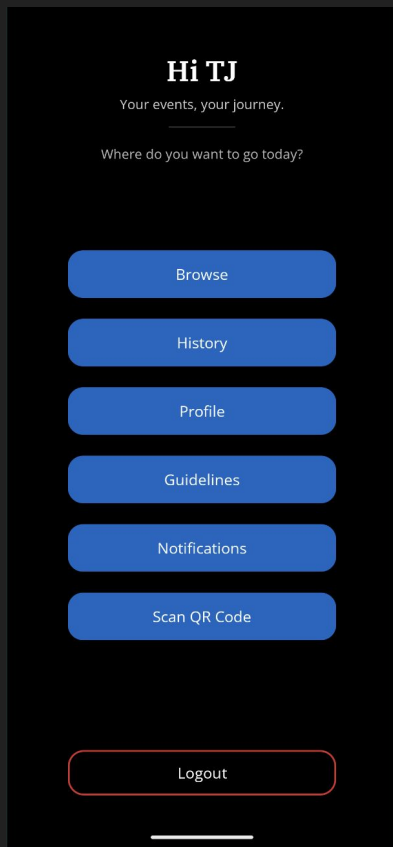

Signup

The 'Login' screen of the inMarket app. The title 'Welcome back to inMarket' is at the top in bold white text, followed by the subtitle 'Secure login. Fair draws. Real chances.' in a smaller font. Below this are two input fields with labels: 'Email' and 'Password'. Each field has a white underline. Below the password field are two buttons: a solid blue 'Login' button and a white 'Back to start' button with a blue border. A white horizontal line is visible at the very bottom, representing the home indicator on an iPhone.

## Guidelines

For Entrants

1. Ensure your profile information (name, email, phone) is accurate and up to date. This is how organizers will contact you.
2. You may only join the waiting list once per event. Duplicate entries will be removed to ensure fairness.
3. Joining a waiting list does not guarantee selection. Entrants are randomly chosen after the registration period ends.
4. If you are selected (win the lottery), confirm or decline your spot promptly to allow others a fair chance.
5. Enable notifications in your profile view to stay informed about event results and updates.
6. Respect event rules, organizers, and other entrants. Harassment or misuse of the app will result in removal.
7. If you need to cancel or update your
